To whom it may concern,

If you are reading this, then you are lucky enough to have Joao Cardoletto as a potential candidate for your project. Joao joined my team as a junior to mid-level storyboard artist in early 2024 and quickly surpassed my expectations. He proved himself to be a natural storyteller and an exceptional talented artist, and consistently delivered his boards at a senior level.

Not only are his storyboards lively, vibrant, bursting with personality and technically excellent, but he is also one of the most professional board artists I've had the pleasure to work with. He is always breaking down his timeline and tasks to consistently deliver top level work well within deadlines (and some very tricky to manage deadlines at that!)

It is without reservation that I recommend Joao. It has been my absolute pleasure to have worked with him, and I know that his career will be a storied one.

If you require any further information or would like to discuss this recommendation further, please do not hesitate to contact me at kmanske@atomiccartoons.com. Thank you for considering this letter of recommendation for this exceptional individual.

Sincerely,

Kyle Manske
Storyboard Director
